

CRAFT

NEWSLETTER N.4

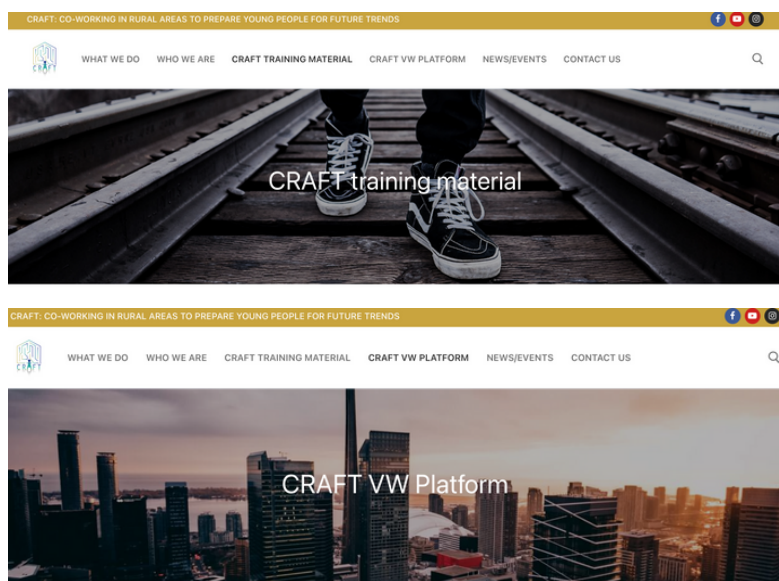

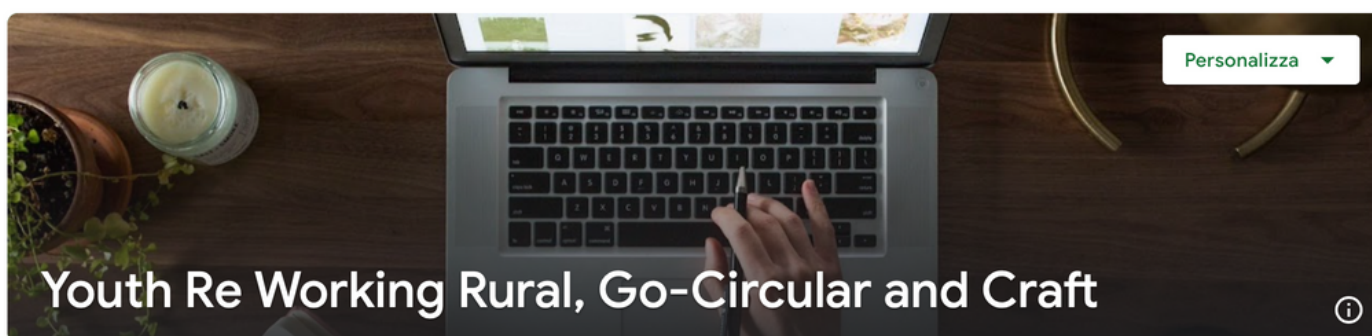

CRAFT TRAINING MATERIALS ARE AVAILABLE ONLINE

After being piloted during the mobility in Dubrovnik, the **"Training programme for builders of future- looking work environments in rural areas"** is available online on the project website-> <https://craft-project.eu/craft-training-material/>

Additionally, the training programme is ready to be delivered online through our G-classroom channel. Partners are recruiting young people from all over Europe. **Are you below 30 and do you understand English and are you interested in entrepreneurship, co-working and skills for the future?**

Subscribe to the training and have access to the educational materials designed in the framework of Craft project as well as to additional training contents produced through collateral projects (Go-Circular and Youth Re-Working Rural).

CRAFT 3D VIRTUAL WORLD

Project partners are looking for further inputs by key stakeholders to improve the **CRAFT 3D Virtual world**, which will be finally tested during **Hackathons** that will be organised in spring in the project countries and will involve young people, mentors, counsellors and co-working managers.

Do you want to help us finalising the CRAFT platform? Check this link-> <https://craft-project.eu/craft-vw-platform/>

DISSEMINATION ACTIVITIES

CRAFT project has been disseminated both during physical and online events as well as through different media. Few examples:

Dubrovnik local TV, Libertas TV (LTV), was present at CRAFT learning activity and multiplier event.

In November 2021, **CIAPE**, **STEP** and **KIT** communicated the availability of CRAFT training materials to young people participating to GO-CIRCULAR (<https://youthreworking.eu/gocircular/>) mobility in Tromsø. Moreover, **CIAPE** and **STEP** have presented CRAFT objectives and preliminary results also during the staff mobility of the SMART-Y project (<http://smart-y.eu/>) held in Ljubljana.

On December 10th, 2021, **BFE** presented the CRAFT platform and training program to more than 70 Bulgarian career guidance practitioners and education experts. The annual online national training was organized by Euroguidance Bulgaria and aimed at presenting current trends, innovative approaches, and tools for career guidance.
